Here's a guide for the first 25 secret holes at OK Golf. Special thanks to the Touch Arcade forums for helping to find them. Secret course Hole X (To cheat or not cheat) Found in the main menu Go to the main menu, click plus (+) in the upper left corner, and open the credits (?). Click Cheat to unlock all courses to move to a secret, unmarked hole. Long Lake County • Georgia, U.S. Hole 10 (Winding Road) Found on a secret hole in the titras (cheat or not fooled). On the fourth platform in the trees. Hole 11 (Are we still?) Found on Hole 4. Outside the white void. To the right of the first bend in the fairway. Outside under the shadows of 2 small cacti on the hill to the right of the starting tee. It's very hard to spot, even with the screen brightness turned to the max. Outside the void behind the green. Hole 11 (Pond Life) Found on Pahoehoe Ridge Hole 10 (Abandoned Course) In the void behind the green right. I recommend chipping on the left as this will make it easier to position the camera. Pahoehoe Ridge • Hawaii, U.S. Hole 10 (Abandoned Course) found on Hole 6. At the top of a large cliff in the central lake. Hole 11 (Beach Vacation) Found on Hole 10 (Abandoned Course). Out of bounds past the water on the small beach left off the starting tee. Hidden under the shadow of a rock ledge. Buchan Bay • Aberdeen, Scotland Hole 10 (Tightrope) Found on Hole 3. Far beyond the green. You will need a full shot of power to reach it. Hole 11 (Fort Forth) found on Hole 3. Hit the ball through three windows with pink lilies to make the hole appear. They will appear near the center of the hole using a Y-shaped set of walls and towers. First hit the ball through the window frame with the lily in it. The screen should flash. Next hit him through the top window at the site closest to the tower. The screen should flash. Next hit him through a large arch. The screen flashes again. Near the tee there will be a cup off course. Step back to the tee and sink it. Miami Palms • Florida, USA Hole 10 (Omega Golf) Found on Hole 9. In a rough tree on the peninsula at the back right of the level. Hole 11 (Wave) Found on hole 10 (Omega Golf) Located behind a skyscraper on a small patch of coarse. A secret hole now appears past the river in a white off-limits void. Hole 11 (Model City) Found on Hole 4 Hit through the log cabin between two houses behind the trees.
